About the Event:

Festability is a Music Festival for people with disabilities living in Kent. There are over 50,000 children, young people & adults with Special Educational Needs and Disabilities in Kent.

We aim for it to be as close to other Music Festivals as possible, but with some additional elements that will help make it more suitable and be fully inclusive to all.

This will include a quiet/chill zone with sensory lights and sounds, a changing places suite, qualified staff to help assist and a karaoke tent
